About the Striker Soccer League

The Striker Soccer League is the property of the Long Island Sports Complex located in Freeport NY, just off the Meadowbrook Parkway. All games are played on a beautiful indoor turf surface. All games are refereed by certified referees and all game rules for the league is approved by the head of the referee committee.

Last season, the league hosted 95 boys and girls teams ranging in ages from U10 thru U15. This coming indoor season the Striker Soccer League will be expanding to add additional age brackets (U8 & U9). All U10 thru U16 games are 50 minutes in length, U8 & U9 games will be 45 minutes in length. All games are played with offsides, throw-ins, and corner kicks except U8 & U9. Our facility is heated and air conditioned, and offers ample seating for you to bring your soccer chair to sit on the sidelines (just like outdoors). Games will be played this season on Friday evenings, all day Saturday, and throughout the day on Sunday. The schedule will have you play in most cases on all three days.

The Striker Soccer League is now entering its third season and is considered the best run indoor soccer league on Long Island. The League believes in offering parity brackets as best they can, so there will be no surprises once your schedule is released. The 95 teams who participated last season came together through coaches calling coaches and from word of mouth about how well the league was run after our inaugural season. Our success continued to grow last season into 94 teams, from the 38 teams that started the league during our first season two years ago.

This season all U8 & U9, games will play 6 v 6 including Keeper, U10 games, 7 v 7, U11, 9 v 9, U12 and U13, 10 v 10 (including Keeper). This season U13 and older brackets will be offered our Coaches Choice Option to determine the appropriate number of players to be on the field of play for each game (See Rules).

In order to play, every player must provide proof of insurance, sign a Liability Waiver Form, and be confirmed on your coaches submitted roster sheet. All forms must be completed and roster sheets submitted prior to league play. Player passes are not required.

Coaches will know their schedule once the league is completely full. As in the past, coaches will be given an opportunity to switch game time, and dates in cases of major conflicts. Please note that a basketball game is not a major conflict. The Striker Soccer League Winter 2010/2011 season will play 8 games, spread out over 16 weekends. Therefore, there will be instances where you might not play every weekend. Our scheduling committee will take into account your team's age, religious holidays and events, and even Super Bowl Sunday. When you register, there will be a space for you to add any scheduling request. Please note that in these instances, we will try our best to accommodate you, but it also means that your opponent must agree as well.

League Fees include the Referee Fees (certified referees) for the entire season.

Please note that last season over 30 teams were not able to play due to registering to late in the process. We will maintain a waitlist, but payment must be made in advance to get on the waitlist. Only teams who have registered and paid will be contacted first regarding their acceptance into the league. The owners will refund your early registration fee if your league schedule does not offer your team the parity that justifies the expense. Therefore, you have a free option to register and not be closed out.
